

April 22, 2019 Huntley UMC weekly email

Dear friends,

What a beautiful Easter Sunday celebration we had at Huntley United Methodist Church. We had a full church, inspiring special music, a Easter egg hunt for the children after worship, and just a beautiful spirit during our worship as we celebrated the resurrection of our Lord and Savior Jesus Christ. Wherever and however you celebrated Easter, we hope it was a true blessing in your life.

We have a busy couple of weeks coming up at Huntley United Methodist Church. The Huntley United Methodist Women are hosting their annual Garage and Bake Sale on Saturday, April 27th. Items are now being accepted for the Garage Sale, so please drop them off at the church. Proceeds from this event help to fund the mission work of our UMW, so please be generous with your donations and with your purchases.

Also, on May 1st Huntley United Methodist Church will host a Community Blood Drive from 3:00 – 6:30 p.m.

We invite anyone who is interested in donating blood to go to www.vitalant.org and sign up for our Huntley Community Blood Drive. Most everyone can donate regardless of age or the medications you take. Donating blood is easy and safe, and a real community need. Please consider donating in Huntley on Wednesday, May 1st.

.

See you in worship,
Pastor Gary Geiman
