Dear friends,

Are you feeling down today? Are you feeling stressed out, disappointed with life, or unfulfilled with the direction your life is taking? If you are, I have good news for you. Consider the words from Revelation, chapter 21: "Behold, I am making all things new." Wouldn't it be great to have God do a new thing in your life today? Wouldn't it be great to wake up to a new home life, a new marriage, a new family, a new job that really brings out the best in you? According to the message in Revelation, chapter 21, God is in the business of making all things new.

This newness that God offers is available to each of us, but we have to claim it. It doesn't just happen. It's a decision we all make. What a difference it would make in our lives right now if we really believed that we are living in the middle of God's love? What a difference it would make in our lives right now if we believed that God stands ready to remake our lives into something beautiful? What a difference it would make in our lives right now if we could wake up each morning and say with full confidence, "Truly this is the day that the Lord hath made. I WILL rejoice and be glad in it." If we could live openly and honestly with the belief that God is with us it would certainly make all the difference for us. Most people get out of life exactly what they really desire. So what do you desire? God has made us an offer. Now it is up to us!
